Rms 23 & 24 The space between

A Note to Parents

Schools have responsibility for children's safety from the time they leave home until the time they return home — hence the need for safety, particularly for those children using wheels. These rules need to be reinforced both at school and at home. I have read the "Wheels Licence Agreement" with my child and believe he/she understands the expectations. I give my child permission to use his/her wheels to travel to and from school. I take full responsibility for the way in which my child uses his/her wheels when travelling to and from school. I understand that if he/she does not follow the expectations that he/she will lose the licence for a period of time determined by the school and would be unable to travel to and from school using his/her wheels during this time.

I understand that if I break any of these rules I will lose my licence and not be able to use my wheels for however long the school decides is necessary.

- To store my wheels in the place provided.
 - To always carry my "Wheels Licence" with me.
 - **TO NOT RIDE MY WHEELS IN THE SCHOOL GROUNDS BETWEEN 8.15AM AND 3.15PM**
 - Only cross roads where there are pedestrian crossings or where my parents have agreed is a safe place to cross.
 - Be courteous and respectful to anyone else using the footpath and/or road.
 - Use my wheels at a speed which is safe for me and anyone else using the footpath.
 - Slow down and check all driveways.
 - Wear the safety gear needed for the type of wheels I have.
 - Have signed permission from my parents.
- agree to follow these rules when coming to school and going home from school on any sort of wheels other than a car.
